“I am very pleased with the level of training my daughter, Jody, has received at The Georgia Ballet. The qualities that are stressed are life qualities; respect for authority, focusing on tasks, paying attention to details, striving for perfection, preparation for class, promptness, teamwork, personal discipline, and determination. The great thing is I have seen these qualities come out in other areas of her life. I have learned that Ballet is all about the little things that make the difference between being good and being excellent. The Georgia Ballet strives for excellence in character quality as well as excellence in dance quality. This is why I am glad to contribute to The Georgia Ballet’s Parent/Student Annual Fund Drive.”

“For the past 10 years, my husband, Tom, and I have seen the Ballet's positive impact on nearly every facet of our children's lives. It has helped Samantha and Sophia become young women who are focused, determined and committed to their goals. The instructors care about the whole dancer and I have frequently overheard one of my girls’ teachers transforming a ballet lesson into a life lesson. The personal and caring environment created by the staff, combined with world class ballet training, make The Georgia Ballet such a unique and wonderful place to learn the art of dance. I’m glad to give to the Parent/Student Annual Fund Drive because it supports my girls.”
