New Program Makes Every Purchase Profitable for The Georgia Ballet!

What is Scrip?

SCRIP...what's that?... and how could it possibly help us? Scrip actually means anything used in the place of money. In this case we are talking about gift cards from local and national vendors. ***How does this translate into a fundraising program for The Georgia Ballet?***

Here are a few things that it doesn't mean!
...**No door to door selling!** No boxes of merchandise to ask our friends, family, and neighbors to purchase.

This is a program that allows each of us to use our every day purchases to make donations to the Georgia Ballet. **It is that simple. No selling, no extra expense, just focused spending.** ***Spending that brings profit to our program.***

Check out the potential this program brings to The Georgia Ballet on the following page!

How does it work?

UnitedScrip purchases millions of dollars worth of gift cards (SCRIP) yearly from national vendors. Georgia Ballet can buy these cards from UnitedScrip at a discount. Then you can buy the card at face value. You receive dollar for dollar the value of cash for these items. Example: You pay \$100 for a Home Depot debit card and you can spend \$100 at any Home Depot. Home Depot rebates 4%, so the Georgia Ballet just made \$4!

IT'S THAT SIMPLE!
